Samata Mangalam · Marriage proposals

What to send to post a proposal

- Name to show, birth date and height
- Religion, ethnicity, caste (optional), district and civil status
- Education, job and where living/working
- Family details (parents' occupations, brothers and sisters)
- A few lines about the bride or groom (character, interests) and the kind of partner you are looking for
- Birth time and birth place (as on the birth certificate)
- Horoscope details we need (typed one by one): lagna, nakshatra (birth star), rashi and kuja dosha (yes / no) — a photo of a horoscope can be hard to read
- 1–2 clear photos (one full photo, one close-up)
- The contact number for families, how they may contact you, and an email for our notices (optional)
- Your OK to post it on samata.lk

If you post it yourself — step by step

1. Free account
Google or your mobile number — no password.

2. Choose a plan
Pay by bank transfer; we switch it on.

3. Post your proposal
Details, horoscope, 1–2 photos, contact. We check it by phone.

4. Connect privately
Send interests. Numbers are shared only when both agree.

Not comfortable with websites? Send these details to our WhatsApp — we post it for you.
